**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want competition on the telecom
I do not want to have just one or two providers of internet services.
As it stands AT&T has an extremely poor service
We need competition and there is no reason why one provider should own all access
Internet should be available for all providers - competition improves service
